SUBJECT.—*Import of Coal Tar Dyes, Textile Chemicals, Gum and Yarn against exports of Cotton Textiles, Yarn and Handloom goods by Textile Mills and Handloom-Cooperatives.*

No. 91-ITC(PN)/60.—The following decisions with regard to the Cotton Textile Incentive Scheme as announced in Public Notice No. 87-ITC(PN)/58 dated the 31st October, 1958 and amended/modified/and amplified from time to time, are announced for the information of the trade:—

1. The Scheme has been extended upto 31st March, 1961.
2. The Incentives to Exporters of Handloom and Hand-printed Fabrics, under the above Scheme as announced in Public Notice Nos. 39-ITC(PN)/59 and 40-ITC(PN)/59 both dated 2nd May, 1959, should be increased as under:—

| <i>Quantity Exported</i> | <i>Present incentive by way of import entitlements</i> | <i>Increased incentives by way of import entitlement</i> |
|--------------------------|--|--|
| 100 yards | Rs. 10/- | Rs. 15/- |
| 25 Lbs. | Rs. 7.50 | Rs. 10/- |

The increase in the Incentives will take effect from the 1st April, 1960.

3. Attention is invited to Public Notice No. 18-ITC(PN)/59 dated the 21st March, 1959 in which it was clarified that conditions/restrictions mentioned in Appendix XL in Section III of the Red-Book for import of coal tar dyes and those mentioned under remarks against Bleaching Powder in Section II of the Red-Book would be applicable to licences issued under the Cotton Textile Incentive Scheme. In the case of Actual User Mills earning import entitlements under the Cotton Textile Incentive Scheme and who are actually in need of consumption of certain types of dyes which are at present restricted for import (other than banned items), the face value and other restrictions would be relaxed on merits. While applying to the Textile Commissioner for import entitlements, the Mills should specifically state what relaxations are required by them. These relaxations will be subject to the condition that the Dyes/chemicals so imported shall be utilised only for their own consumption and not sold to anybody else. Public Notice No. 18-ITC(PN)/59 dated 21st March 1959 may be deemed to have been amended accordingly.

4. It has been decided that for Mills which have newly entered the export field, the basic period for calculation of import entitlements should be fixed as 1st July 1959 to 30th June 1960 or Rs. 2,000 per loom whichever is higher.
